About Me

I'm a 17-year-old creative and passionate Web Designer And Developer from Karachi, Pakistan.

I specialize in HTML, CSS, JavaScript, Figma, and Photoshop.

I'm hardworking, eager to learn, and always ready to create unique, user-friendly website designs.

My goal is to become a successful professional in the web design and development field.

Education

- **(2025)**
  MATRICULATION (ONGOING)
  Computer Science Student

Experience

- Fresher Learning and building personal web projects.

- Creating creative layouts and user-friendly web interfaces using modern tools.

Career Objective

- To use my creativity and skills to make modern, responsive, and easy-to-use websites, and to grow as a frontend developer in the digital world.
